EXTRACURRICULAR ACTIVITIES

Reach Consulting Group   **January 2025 – Present**
Project Manager   *August 2025 - Present*
- Lead 4 University of Michigan students of varying specializations to deliver personalized marketing strategies and a website template with purchase abilities and social media plug-ins for a 15+ employee rock and mineral business.
- Utilize Figma to design and structure customizable website template, and implement designs using HTML and CSS.
- Conduct user research and client sessions, culminating 30+ website wireframes and 3+ planned social media posts.

Technical Analyst + UX Design Lead   *January 2025 - May 2025*
- Worked cohesively with a team of 3 other students to redesign a healthcare company's website, prioritizing privacy, HIPAA regulations, user flow, PDF implementation, data sourcing, company vision, and accessible user experience.
- Conducted user research and client vision sessions, while creating 25+ wireframes using Adobe Illustrator and Figma.

Girls In Electrical Engineering & Computer Science   **January 2025 – Present**
Event Logistics and Operations Committee Member
- Coordinate logistics for over 13 events and networking opportunities for 150+ women in STEM over 4 months.
- Facilitate smooth event execution by managing schedules, resources, colleagues, finances, and technical setups.

Michigan Association of Student Councils   **May 2024 - Present**
College Volunteer Facilitator Corps Research and Resource Development Committee Member
- Meet twice-monthly to lead the Research and Resource Development Committee to improve annual week-long high school summer leadership camp curriculum to meet current social climate standards and improvements.
- Serve as junior counselor during camp, leading 15+ high school students through various leadership training, simulations, and debriefs to enhance leadership abilities and gain professional skills.

University of Michigan University Mentorship Program   **May 2025 - Present**
Peer Mentor
- Lead a group of 14 college freshmen, providing space for questions and resources about college life, campus, friendships, classes, extracurriculars, research, and other opportunities at the University of Michigan.
- Organize and execute weekly mentorship bonding events, working with other peer mentors to facilitate bonding events, campus explorations, and professional development opportunities for interested mentees.

PROJECTS

MyAbroadMDs – Private Individual Medical Summary & Website Redesign   **January 2025 – Present**
User Experience Analyst | Reach Consulting Group
- Transformed the Private Individual Medical Summary (PIMS) system into a fully interactive, input-driven online quiz for improved usability and efficiency, while protecting patient confidentiality and adhering to HIPAA guidelines.
- Led user experience research, conducting in-depth analysis of user behavior, accessibility standards, and design principles to provide strategic recommendations for website enhancements and improved digital engagement.
